Greetings Parents and Families of Paul Revere,

The Student Services Office of Paul Revere is pleased to announce that we will be hosting two presentations from Bryan’s Smile during the Spring Semester. Bryan's Smile is a non-profit organization educating adolescents, young adults, and their families about sadness, loneliness, depression and potentially related substance abuse while, providing a source for additional support to those who have similar experiences. This interactive presentation is open to all families of Paul Revere, however those students who are currently on a Behavior Contract are strongly encouraged to attend one of the two sessions. Attendance is not mandatory but it will be a component that will be strongly considered during Culmination appeals or at the end of the Behavior Contract.

There will be two options for attending the presentation, April 2<sup>nd</sup> or May 16<sup>th</sup>. **If you plan to attend you must pre-register online through the Bryan’s Smile website.** You can visit their website at [www.bryanssmile.com](http://www.bryanssmile.com) and register by clicking the tab “Reality Tour”. Please plan on arriving at 5:45pm and the presentation will conclude at 8:15pm.
