## DRUG PREVENTION PROGRAM

for parents and children

Hosted by  
Bryan's Smile,  
a non-profit  
organization

Spend a few hours with your child and  
lower the chance of addiction affecting your family.

**Don't say, "Not my child". It can happen to you as easily as it happened to us.**

Bryan's Smile is a nonprofit organization founded to raise awareness of substance abuse. We feel that the best way to do just that is to prevent it. In conjunction with Reality Tour Inc., a local family presents an educational, eye opening program to help both youth and parents see what is happening in our community and the consequences of drug and alcohol use. This interactive, one night, 2-hour event will open communication between parents and their youth and show the consequences of certain choices when drugs and alcohol are involved.
