Dear Parents/Guardians:

The Homework Help Club provides students with the opportunity to obtain assistance with homework and practice basic skills. Students who may not need help but simply a place to work are also welcome.

Starting the Monday, October 4 the tutoring schedule is:

Tuesday through Friday 7:15 – 7:45 AM in room E3 with Mr. Anderson
Monday and Wednesday 3:15 – 4:20 PM **see Ms Uchida in M2 to sign up**

When possible a student will be assigned to a teacher based on grade level and the academic subject he/she needs the most assistance with. For example, 6th grade math/science students will be with one teacher while 8th grade math/science will be with another teacher.

Students participating in the after school program are to be in their assigned classroom and signed in by 3:15 PM. Students are not required to attend every day tutoring is offered. Also, a student's first day may be any day tutoring is offered throughout the semester – just **see Ms Uchida** on or before the first day.

If a student will be picked up by a parent that student may leave when her/his ride arrives otherwise students must remain in the classroom until dismissal time – 4:20 PM. Students riding the late bus or who will wait for parent pick-up will be walked to the gym area by a teacher.

All Revere students are welcome to come to Homework Help Club however, the program is unable to offer assistance with Geometry at this time.

If you have any questions please leave a message and phone number for Ms Uchida, 310-917-4800.

-----tear-off-----

I give my permission for my child to participate in the Homework Help Club program. I understand that a student who is disruptive may be asked to leave and not return to the program.

Student name _____ grade _____

Subject(s) most in need of assistance with are _____

Parent/Guardian signature _____ Phone # _____

After school tutoring students **see Ms Uchida to be assigned to a tutoring teacher**
