

Community Service PE Assignment

“Never doubt that small group of thoughtful, committed people can change the world. Indeed it is the only thing that ever has.”

All verification forms + additional proof must be **submitted through your PE teacher’s Community Service Assignment in Schoology during the SPRING SEMESTER** by the end of school on or **before** the due date: **Friday, April 17, 2020**

Late assignments will not be accepted. Remember, community service hours must be completed **during the school year**. We encourage all students to turn in the assignment **early**.

1. Each student must complete at least 5 hours of community service for this project during the current school year.
2. Print the verification form to be completed by the supervising organization.
3. **A photo that clearly shows yourself at the event/activity is REQUIRED proof, even for Revere activities.** Additional proof is acceptable but optional.
4. Scans/photos (in focus and unaltered) of verification forms + proof must be submitted through your PE teacher’s Community Service Assignment in Schoology.

Community service must be volunteer type work for a reputable non-profit organization (NOT a business or individual) and beneficial to the community. It can be done in one day or spread through many. Select an activity that you are interested in, and get involved. If you are not sure if a certain activity counts for community service or you are having difficulty finding something, let your PE teacher know early! Examples of accepted and not accepted community service are:
