Dear Parents/Guardians:

Homework Help Club (HHC) provides students with the opportunity to obtain assistance with school work.

Starting Wednesday, October 14 the Help Club schedule is:

Monday and Wednesday 3:30 – 4:30 PM

Students will be assigned to a Homework Help teacher after filling out and submitting the HHC google form. The link is below. When possible a student will be placed with a teacher who teaches the subject in which help is requested.

This year HHC is not a drop-in program. Due to our on-going distance learning situation space with each teacher is limited. When the group limit has been reached a waiting list will be generated from the google forms submitted. While a teacher will help a student with any question asked, the teacher will work with 2 or more students in a small group, not individually.

Students will be sent the Zoom information for the teacher they are assigned to by Ms. Uchida.

If a student does not attend two HHC sessions in a row that student will be dropped from the group so that another student on the waiting list can begin attending.

All Revere students are welcome to sign up for Homework Help Club.
