Dear Parents/Guardians:

Homework Help Club provides students with the opportunity to obtain assistance with homework and practice basic skills.

Starting Monday, September 9 the tutoring schedule is:

Tuesday and Wednesday	7:15 – 7:45 AM	in room E3 with Mr. Anderson
Monday and Thursday	3:15 – 4:20 PM	see Ms Uchida in M2 to sign up
Monday - Thursday	lunch time	TBA - see signs posted in classrooms/offices

When possible a student will be assigned to a teacher based on grade level and the academic subject he/she needs the most assistance with. For example, 6th grade math/science students will be with one teacher while 8th grade math/science will be with another teacher.

Students seeking help during lunch must be in the help classroom within 10 minutes of the start of the lunch period and stay in that room the entire lunch time.

Students participating in the after school program are to be in their assigned classroom and signed in by 3:15 PM. Students are not required to attend every day tutoring is offered. Also, a student's first day may be any day tutoring is offered throughout the semester – just **see Ms Uchida** on or before the first day.

If a student will be picked up by a parent that student may leave when her/his ride arrives otherwise students must remain in the classroom until dismissal time – 4:20 PM.

All Revere students are welcome to come to Homework Help Club.

The last Late Bus day is Thursday, 5/7/2020. If you have any questions please leave a message and phone number for Ms Uchida, 310-917-4800.

-----tear-off-----

I give my permission for my child to participate in the Homework Help Club program. I understand that a student who is disruptive may be asked to leave and not return to the program.
