Dear Paul Revere Middle School Families,

Welcome to Paul Revere Middle School academic year 2020-2021!

The parent board of PRIDE (Parent Resources for Individual Development and Enrichment) looks forward to working with all parents to keep Revere an award-winning middle school. We know this year will be different from years past and navigating school will be challenging, especially for our new families. We are here to help and we invite you to reach out with your questions.

Revere's PRIDE Booster club was established in 1982 to help fund and facilitate dozens of vital programs for our children. The list to the left offers a glimpse of what we help fund with the money we raise. Through PRIDE, parents collaborate with Revere's administrators, educators and staff to enrich our children's education and to improve the quality of their middle school experience.

Revere has 2100 students from 99 different zip codes and the resources to enrich each and every student beyond the basic education LAUSD offers are made possible by our strong parent community, through PRIDE. This year, PRIDE must raise over \$450,000 to fund technology, class size reduction, music, PE, the farm and so much more. We rely on every parent for this essential funding. By working together, we are able to substantially enrich and improve the education at Revere, and your participation at any level is crucial to Revere's continued success.

We invite you to join PRIDE's monthly parent meetings and learn about our work and our board, as well as volunteer roles that may interest you. Please also sign up for the weekly parent news bulletin, which will be emailed to you once you sign up on [our website](#). There is also a school app, which can be downloaded for iPhone or Android. You may also stay in touch with us on [Facebook](#), and to learn about volunteer opportunities, contact us at revereoutreach@gmail.com.

Please contribute as soon as possible to [PRIDE's Annual Giving campaign](#). Your donations are tax deductible and can be made [online](#), in person, by check in the provided envelope or at registration day. The suggested donation per student is \$950. A personalized Family Banner acknowledges gifts of \$1,400 per student or \$2,800 per family. *All amounts are welcome and any amount makes a difference to each and every child at our school.*

Thank you for your support, and we look forward to working with you throughout the year.

Sincerely,
PRIDE Co-Presidents
