## **Equipment and Software**

All equipment needed is the responsibility of participant(s).

All software needed is the responsibility of the participant(s).

There is not a single or minimum requirement for equipment or software. Any camera, editing or production tools are appropriate.

## **Awards**

We hope to be able to show all films that fit the guidelines at the festival, time permitted, or during lunch periods at school. Top films in each category will definitely be viewed at the festival, schedule pending depending on number of entries. All films with release forms may possibly be viewed on the school website at some point.

A winning film will be honored in each category.
