**A heartfelt shout out to Sharon Esebag for facilitating the Reflections program for the past 3 years. Revere is at risk of not being able to offer this program next year unless a parent volunteers to be the facilitator. It is not time-consuming and is a good role for a working parent who wants to volunteer. Respond to this email if you are interested.**

**Do Something**

Every year there are over 1.7 Million homeless youth in America. Do something.

This year Aeropostale has launched a "Jeans for Teens" drive and PRCMS is taking part. Please drop off your donated jeans, in any size or shape, at designated drop off boxes located around the school through the end of the day TODAY. If we collect enough blue jeans our school could win \$5,000 and a free VAMP concert! [Click here](#) for more information or contact [Lillian Matsuyoshi](#) to arrange to drop off this weekend. Let's do something!

A gigantic thank you to parent Teri Chiaro for donating her staff to prune our roses. We can't thank you enough for your expertise and generosity.

**Private Carpool Bus**

Lisa Meyers-Kunis and Alex Lebecki are excited to announce that a private carpool bus is available originating from Holmby Hills for children attending Palisades Charter High School during the 2015-16 school year.

If your child/children currently take this bus to Revere and would like to continue next year, please email us their names so we can guarantee a seat for him/her. [Send Lisa and Alex an email](#) to be placed on our wait list or with any questions.

**Volunteer Needed**

We have a used battery recycling container in the Main Office which is almost full. The staff and parents dispose of their used batteries in the office. We need a volunteer to pick up used batteries from the main office every few months and take them to a recycling facility. Contact [lori.vogel@psd.net](mailto:lori.vogel@psd.net) if you are interested.
