A Message From the Principal

Paul Revere Parents, Teachers, and Students,

I would first like to thank the staff, parents and students for making my first year as Principal of Paul Revere Charter Middle School a success. I also would like to thank everyone for the incredible support you have given my family over the past two months. You are truly the most kind, thoughtful, and generous school community in LAUSD.

We have had a very eventful year with many achievements. We collaboratively wrote and submitted our 2015-20 Charter Renewal. Our teachers and staff have made incredible strides in transitioning to the Common Core State Standards, preparing our students to be college and career ready. We successfully expanded the use of technology in the classroom, providing our students with a 21st century learning experience.

Our students continue to excel in our co-curricular activities. Our Leadership and School Clubs continued to make the school and the community a better place. We had a successful inauguration of the Academic Decathlon, the Film Festival and the Science Fair. Our students showed their writing skills in our award winning newspaper and the Literary Anthology. We saw incredible talent in our music concerts and art contests. And our athletic teams had great success in our 2nd year in the Delphi League.

We need to say farewell to four of our amazing teachers: Mr. Orenstein, Mr. Moore, Mr. Steenhok and Ms. Burke. We thank you for your contributions to the students at Paul Revere and wish you well in your retirement or new endeavors.

To our 8th grade families, you will always be part of the Revere family. I wish you continued success in High School, knowing that you have many more achievements in your future. To our underclassman, I look forward to helping you continue your academic road to success.

Lastly, I would like to thank the parents. Thank you for entrusting us with the education of your children. Thank you for supporting us in providing them a safe haven where they could be challenged and inspired. Thank you for allowing us to push them past what they themselves thought possible. This school is strong, and it is so because of your diligent commitment and support. Again, I say thank you.

Have a restful summer. I look forward to seeing you all next year.

Mr. Perdigao

Congratulations to our Class of 2015

Congratulations to our 8th graders who received their certificates and successfully culminated from Middle School on Wednesday June 3rd, by the power vested in Principal Perdigao by LAUSD. It was a beautiful ceremony with great speeches and meaningful moments for all. The official photographer of the event was "Grad Images". You can browse through photos of the day by clicking [here](#). Congratulations to students and families and good luck in High School!
