

Paul Revere Charter Middle School Parent Meeting Minutes
Friday, March 24th, 2017

- Approval of last month's minutes. Seconded.
- PRIDE president:
- Drug awareness assembly coming up with free pizza offered to the students that attend.
- IPads will not be going home next year. We may be moving to Chromebooks.
- Mr. Shibata: Algebra in 7th Grade
- In May, there will be an unannounced algebra assessment based on algebra 1 concepts. This will be taken at the end of 6th grade as well as at the end of 7th grade.
- Determination of algebra placement will also depend on work habits and cooperation.
- The assessment will be applying algebra readiness based on the concepts that they know.
- Algebra 1 important points:
 - A student's ability to keep him or herself organized.
 - A student's ability to demonstrate the discipline to show their work.
- On the Palisades High Website the math pathway is laid out.
- High School Math Placement Math Test:
 - This test is given prior to the freshman year in high school.
 - This determines which math class the student is placed in for 9th grade.
 - The high school math placement test for Palisades high for 8th graders is on May 20th 2017
 - 5th graders assessed for math placement at the end of the school year. If students passed the test they will go to Algebra in 7th grade. Results are entered in the district system.
