**PTSA Special Projects (Chris Hart)**

- We have no tools for clean up days: shovels, rakes, brooms, corner dusters, etc.
- Requesting \$1,500.
- Can use shed behind the student store to lock up tools.

**Website Coordinator/Updates (Lori Vogel)**

- Farm is in need of immediate attention. Cleanliness, maintenance, care of the animals. Mr. Honda being paid (\$1,000 per month) to maintain it at the moment. He needs to be approached regarding the needs of the farm and getting them done or a decrease in income if the job must be outsourced.
- Find someone to maintain the farm. Ideas: Veterinarian, Dora may have someone. Does this fall under Zhila's area?
- \$650 each to reupholster furniture & chairs in the library.

**Auction (Jaime Adler)**

- Made \$60,000 - \$65,000 (Final total not in yet.)
- Raise the paddle will continue for Spring concert & culmination parking & seats.
- Mr. Wexler will edit the video.
- 120 parents came.
- 30 teachers in attendance, 20 were sponsored.

**Annual Giving (Rene Rodman)**

- \$315,000 collected. \$330,000 plus is the goal. Still a few pledges not collected.
- 6 parents who did phone-a-thon are set to call again. 60 parents who haven't given and said they would - calling them first.
- Give 8th grade parents an incentive to give? Ideas: Name on banner that will be up at Paul Revere and then at culmination? Photo in program?
- Email going out today for a push.
- Banner family breakfast is on the schedule.
