**President's Report (Keri Kraft, Malika Mirkasymova)**

PA system and lockers for PE: PA system works, it is just turned down because the neighbors complain it is too loud. Screen for the gym researching how to provide this, must be approved by LAUSD since they want it to come down from the wall/ceiling. Boys lockers are in worse shape than the girls lockers. Can the existing ones be fixed or do new ones need to be installed? John Anapoly will need to approve.

(Lori Vogel) Farm budget update: Concrete curb around the farm with ramps, sinks and drainage, lunch area, backpack area. Cost around \$70,000. Discussion on fundraising for this project. Building the coops off site, bring in by truck, then all LAUSD would do is secure the structure.

Farm helper: Have a candidate going through the process at this time to begin as soon as all background checks, paperwork, etc. is completed. Pay Trevor Morley \$6,000 to maintain the farm. Motion Keri Kraft - Second Rene Rodman - All approved.

Need shadows for the Literary Anthology. To take over the next school year. The position will set up the event. (Set up chairs, get food, drinks, etc.)

Need shadow for Pride Presidents.

Mrs. Barbieri wants to take her class to King Tut. Wants us to kick in what her class does not raise. Not sure, but probably a few hundred dollars. Rene Rodman motion - Lee Trask second - All approved.

Elementary School visits: Anyone available to host? Ideas: At your home, a coffee, or a coffee at the school? Host one for all schools at Paul Revere. (Behnaz volunteered to host the event at Paul Revere, January 10th.) Let Keri know if you are available. Coordinate with Mr. Shebata. Can we bring back Howdy Days? Revere Night?

Impending Strike: Another offer on the table: Denied. Teachers were happy, Union was not.
