- The new garden outside of the library covered by a \$15,000 grant.

Guest Speaker (Mr. Shibata)

- Math Pathways - Placement test for 6th graders going into 7th grade to place in math, honors math or algebra for 7th grade.
- Every student should have a strong foundation in algebra.
- A through G concept briefly explained. (Look up on internet for explanation.)
- Palisades High pulled 120 colleges for college day.
- Take a tour of Palisades High in the fall if you have an 8th grader.
- Palisades High is rewriting their charter. One issue is the relationship with Paul Revere in automatically taking all students to only automatically taking residents.
